WORLD MISSION

RELIEF (DISASTER RECOVERY)

Two devastating earthquakes in north-west Afghanistan killed over 1,000 people and caused major destruction last October. A broken healthcare system could hardly bear the weight of the injured. Please pray as our partners shift from relief to recovery.

BILLERICAY BAPTIST CHURCH, BILLERICAY, ESSEX.

Prayer points. Please join Billericay in praying:

- With thanks for the last 60 years, but also the last year which has seen many changes.
- For the right person to become the new Children and Youth Pastor, and for the transition time when they arrive.
- For blessings on the church administrator who is retiring, and for discernment to know if God has plans for a new role instead of a direct replacement.
- For a more intentional focus on prayer, that the hunger and desire will stay strong and grow stronger
